

# Edinburgh College End of the Year Exhibition

## Sponsorship Opportunities

End of Year Exhibitions celebrate the extraordinary talent of The School of Art and Design Students at Edinburgh College across our Capital City.

# The School of Art & Design

The School of Art and Design is one of the largest of its kind in the UK with over 700 students. It has a strong reputation for progressing students into both degree-level study and employment in the creative industries.

Our students regularly present their art and design work in exhibitions and industry nights at venues across Edinburgh.

Our graduate diploma shows in 2019 will be held at The Fruitmarket Gallery, City Art Centre, Edinburgh Sculpture Workshop and in our Art and Design Studios at Granton Campus. Each year we produce a Graduate Book for our HND End of Year Exhibition which promotes our students into the world of work.

96% of our students progress into further study or employment.

*'The continued success of the Art and Design provision can be attributed to the very high aspirations and systematic, sustained focus on learner progress and achievement, by the team. Each student is afforded the opportunity to exhibit their work both internally and externally; the team engage in longstanding collaborations with National Galleries, National Museums Scotland and other partners across the city. The regular flow of competitions (Kelpies Design Prize, for example), industry visits, specialist induction programme, contemporary art projects, innovative 'Artist in Residence' initiative and robust progression routes to partner art schools and universities, clearly contribute to the drive, ambition and success of their learners'. Edinburgh College Evaluative Report 2017/18.*

With employment within the Creative Industries rising at three times the national average, and the highest percentage of jobs in the Creative Industries in 'artistic creation' we are one of the largest providers of Edinburgh and Scotland's New Creatives.

By advertising in the Graduate Book you not only have the opportunity to advertise your organisation or business but directly support our students as they move into employment or further study.

We distribute 1500 printed Graduate Books and a digital copy is viewable on the college website for a year, which ensures your advertisement reaches a wide audience both regionally, nationally and internationally.

# Advertising package:
