

EDINBURGH COLLEGE

JOB DESCRIPTION

POST: Kitchen technician

RESPONSIBLE TO: Curriculum Manager

Job Purpose

Edinburgh College is a leading modern College providing high quality training in professional Cookery & catering. To help support the curriculum and catering operation we are seeking to recruit a kitchen Technician to assist the curriculum delivery.

The Hospitality and Tourism Academy is well-established and at the forefront of education within the field. The academy is respected as a provider of industry-relevant courses. We work closely with local and regional employers through curriculum engagement and partnerships.

Main tasks

This is a busy role and the successful candidate will be able to support the curriculum by providing practical and technical support to the students and staff in the training and production kitchens.

The post holder has to be able to operate an HACCP system and be computer literate. The role requires a flexible approach to working hours and to perform various duties to support the students and the Curriculum team.

The successful candidate will have to maintain high standards of hygiene in training kitchens and associated areas, and has to have the ability to assist lecturers in maintaining a safe and hygienic working environment.

The successful candidate should also be able to keep up with the modern trends and innovations within the catering industry.

You will be responsible for COSHH implementation and monitoring of all cleaning materials.

The successful candidate should be self-motivated, proactive and organised. The individual will also require good interpersonal, communication skills and will need to be flexible and work as part of a team. The individual will have knowledge of hygiene, health and safety regulations and HACCP procedures.

The above outline of major tasks and activities and areas of responsibility is not exhaustive. Post holder is expected to carry out activities within their ability/experience and within the overall remit and spirit of the post.

The job description may be subject to change as the post develops.
