

FIX YOUR BIKE

Basic maintenance tools are available to be borrowed from the Janitors (Control Room). There are puncture repair kits available to borrow from reception.

Free Dr Bike sessions are organised across the Edinburgh College in autumn and spring.

To find out more about dates keep an eye on noticeboards or contact Sustainability Team.

CYCLE SAFE

A few tips to help you stay safe while you cycle:

- Be seen on the road (have lights and high visibility clothing)
- If you don't feel confident, think about additional training (contact Sustainability Team)
- Read Highway Code rules for cyclists and learn about your rights
- Always lock your bike

ROUTES TO THE CAMPUS

Granton Campus is located close to the Cycle Network:

- Quiet Route (12) connects Cramond and Granton with Telford Path (11) going to Haymarket and Ferry Road Path (11) with connections to Leith, Newhaven and City Centre
- ... you can plan your own route using:

GETTING A BIKE

When thinking about getting a new bike make sure you get the right size of frame and type of bike which will best suit to your needs.

If you want to buy a second hand bike, check the Bike Station. Their bikes can cost as little as £65!

CYCLE FACILITIES

There are multiple cycle parking locations around the campus:

- West Entrance (Car Park side)
- East Entrance (Morrison's side)

Secure cycle storage is available only for registered **staff only**.
To obtain access contact:
sustainability@edinburghcollege.ac.uk

We are currently investigating dedicated cycle lockers. In the meantime ask your department if there are lockers available.
