

## FIX YOUR BIKE

A bike repair station is located within the secure cycle parking. There are puncture repair kits available to borrow from reception.

Free Dr Bike sessions are organised across the Edinburgh College in autumn and spring.

To find out more about dates keep an eye on noticeboards or contact Sustainability Team.

## CYCLE SAFE

A few tips to help you stay safe while you cycle:

- Be seen on the road (have lights and high visibility clothing)
- If you don't feel confident, think about additional training (contact Sustainability Team)
- Read Highway Code rules for cyclists and learn about your rights
- Always lock your bike

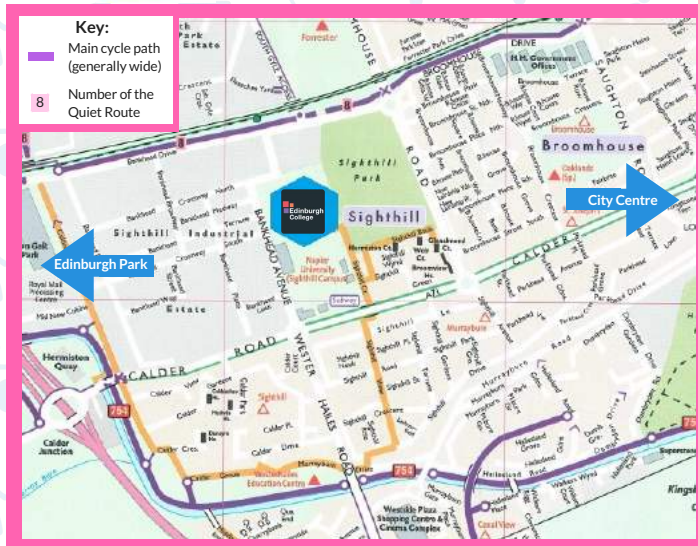

## ROUTES TO THE CAMPUS

Sighthill Campus is located close to the Cycle Network:

- Quiet Route (8) connecting Roseburn with Sighthill and Edinburgh Park
- Union Canal Cycle Path (75) and (754) connects Meadows with Balerno and Ratho
- ... you can plan your own route using :

Improvements around Edinburgh College were supported by:

## WHY CYCLE?

Saves on fuel and parking

Makes you happy!

Keeps you fit and healthy

Cuts your carbon footprint

## GETTING A BIKE

When thinking about getting a new bike make sure you get the right size of frame and type of bike which will best suit to your needs.

If you want to buy a second hand bike, check the Bike Station.

Their bikes can cost as little as £65!

## CYCLE FACILITIES

There are multiple cycle parking locations around the campus:

- South Entrance (near Napier)
- North Entrance - Cycle Pods and Secure Cycle Storage

Secure cycle storage is available only for registered students and staff.

To obtain access contact:

[sustainability@edinburghcollege.ac.uk](mailto:sustainability@edinburghcollege.ac.uk)

We are currently investigating dedicated cycle lockers. In the meantime ask your department if there are lockers available.

**Look for Active Travel Friendly label !**

Facilities with this sign are suitable for changing.

**Active Travel Friendly Facilities locations:**

**Changing only:**
