

STUDENTS ON BENEFITS

Funding is subject to certain qualifying criteria as defined by the Scottish Government including residence requirements and household income.

If you have previously received bursary support or have an advanced level qualification you may initially be refused funding. There is a right of appeal.

Some students are eligible to remain on benefit during their full-time programme of study, e.g. single parents on Income Support with a child under 5. These students are not eligible for a bursary maintenance allowance.

However please note that there are many changes to state benefits underway, for instance the roll out of Universal Credit, and student funding is therefore subject to amendment.

Students on benefits may be considered for

- EMA (up to 20th birthday only)
- Students in receipt of Universal Credit may receive a bursary maintenance allowance of up to £28 a week
- Travel expenses
- Study expenses
- Childcare costs (covering timetabled classes/placements)
