

GAS TRAINING AND ASSESSMENT

For the future you want

Edinburgh College's Midlothian Campus at Eskbank is the largest domestic plumbing and gas training centre in the Southeast of Scotland.

TRAINING AT EDINBURGH COLLEGE

Our newly refurbished centre is a modern, well equipped facility with a relaxed and friendly environment allowing you to achieve the qualifications you need to work in the gas industry.

Courses are designed for experienced gas engineers or plumbers.

You must also have an up-to-date gas safe membership card to apply.

Gas engineers are required to renew gas qualifications every **five years** to refresh your knowledge on safety legislation and equipment to make sure you are fully covered to perform your job.
