Our Courses

At Edinburgh College our priority is to offer a wide range of courses and qualifications at various levels; courses that support you to achieve your educational and career goals. We work closely with employers and our local universities to ensure we give you the best possible opportunities.

We have a range of programme areas in:

- Centre for Creative Industries
- College Community
- Engineering +
- English for Speakers of Other Languages
- Business School
- Centre for Health, Well-being & Social Sciences
- Institute of Construction and Building Crafts
- Hospitality and Tourism Academy

We understand that deciding which course to study can be a difficult decision. To help you make that decision you can book an appointment with one of our Admissions Advisors or a Skills Development Scotland Careers Advisor who will help you identify your interests, discuss your choice of course and help you with any other questions you may have about studying at Edinburgh College.
