Dear [REDACTED]

Our Ref: **012/19**

As of 1 October 2012, Edinburgh's Telford College, Jewel & Esk College and Stevenson College merged to create a single college called Edinburgh College.

We refer to your requests for information dated 12 February 2019. The College has considered your requests as requests for information under section 1 of the Freedom of Information (Scotland) Act 2002 ("FOISA"):

012/19: 1 How much *in total* has the college received in 'fines' from car parking charges from its inception. Please note I am not asking what has been done with the money, merely how much has been 'raised'.

Please note, the money is not raised by the college but was received as a result of illegal parking on College grounds.

£2562.23

012/19: 2 Please advise date payment was made and when next payment due.

The last payment was received on 24/05/17.

There are no further payments due as the college does not receive any payment from UKPC for the provision of parking enforcement services. The original proposal for a 10% client rebate was declined in favour of a fully managed service from UKPC.

012/19: 3 UKPC is the current contractor; which company was the previous contractor

Smartparking

012/19: 4 and what was the period it was under contract to the college

April 2014 - 31/01/2017.
