Subject: FoI request: renewable energy courses/modules

Dear [REDACTED]

Our Ref: **022/19**

As of 1 October 2012, Edinburgh's Telford College, Jewel & Esk College and Stevenson College merged to create a single college called Edinburgh College.

We refer to your request for information dated 23 May 2019. The College has considered your request as a request for information under section 1 of the Freedom of Information (Scotland) Act 2002 ("FOISA").

022/19 (1): The number of students currently pursuing courses or modules which relate to renewable energy, broken down by gender.

During a phone call on Friday 14 June we explained that students are enrolled against frameworks. Due to the large number of frameworks offered by the College, it was agreed to narrow the scope of the request to those students studying courses or modules under Engineering.

There are currently 20 full-time students studying specific courses in Renewable Energy. Out of this cohort, 17 (85%) are male and 3 (15%) are female.

There are currently 984 full and part-time students studying a unit in Renewable Energy as part of their overall qualification in Engineering. Out of this cohort 689 (70%) are male and 295 (30%) are female.

Edinburgh College is subject to the provisions of the Freedom of Information (Scotland) Act (FOISA) 2002. If you are dissatisfied with this response, you may ask the college to review this decision. To do this, please contact the Head of Corporate Development at the postal address below or e-mail the Head of Corporate Development at governance@edinburghcollege.ac.uk describing your original request and explaining your grounds for dissatisfaction. (Please include in your review request, your name and home address for correspondence).

You have 40 working days from receipt of this letter to submit a review request to:

Head of Corporate Development

4th Floor

Edinburgh College (Milton Road Campus)

24 Milton Road East

When the review process has been completed and if you are still dissatisfied, you may ask the Scottish Information Commissioner to intervene.

The Commissioner's online appeal service is available from their website:
