

# ELECTRICAL

For the future you want

## Having the most up-to-date electrical training is vital in gaining more job opportunities and contracts for your company.

Accredited by City & Guilds, Electrical training courses are designed to provide you with the knowledge and skills required for all practising electricians.

Courses are developed and delivered by staff with a wealth of industry experience and the College is equipped with up to date technology in our industry-standard workshops.

Please Note: You must have a very good understanding of electrical equipment, whether through work or personally, to apply for these courses.

## CUSTOMISED TRAINING

Although we provide electrical courses we also create customised electrical training programmes tailored to business requirements. Please contact us if you wish to discuss creating a tailored training programme for your employees.

### Customised Training includes:

- Train the trainer
- Managing people & teams
- Being a leader
- Influencing Skills
- Negotiation Skills
- Customer Service
- Conflict Resolution
- Time Management
- Project Management
