#### COURSE CONTENT

**English Language:** These lessons are designed to give you practice in the skills of listening, speaking, reading and writing in a communicative context and focus on grammar rules and structures and being able to use these appropriately. You will buy a course book and workbook. There will also be materials available for you to use on Moodle, the College Virtual Learning Environment

**Work Related Skills:** Here you will focus on developing your English to prepare you for future work and study in the UK. This will include your CV and developing your presentation skills and interview skills and other areas of employability. ICT skills will also be covered here.

**Life in the UK:** Here you will share and develop your knowledge of life in the UK. If you plan to apply for British Citizenship this will help to prepare you for the test.

#### TUTORIALS

Your main teacher will also be your class tutor. You will speak to your tutor individually to agree an individual learning plan (ILP) for you, and at regular times in the course to discuss your progress.

#### ASSESSMENT AND PROGRESSION

This is a bursary course, and you are expected to attend 100% of the course. You will work towards the qualifications listed in the box above. In addition, you will be given tests regularly to check and record your progress.

Access to English for Work and Training students can progress to:
